on xbox doesn't even show items if I can't apply a spell to them, I say something is broken. The soul loading capabilities are as follows: Grand Class Capacity 3000 Major 2000 Common 1000 Minor 500 Small 250 If the weapon has two effects, the charges per use are summed, resulting in fewer uses. Tue Jun 26, 2012 5:35 pm Then UESP states this: "The feats can be free speeches with 100 Charming ability, all 5 Ranks in the Enchanter perk, and the Insightful Enchanter perk. Resistance to damage is affected by Enchanter fire and increased flames due to a wrong keyword. The base magnitude of an enchantment is the number shown when you do not mouse over that enchantment (in the charming menu) without selecting it. The elementary effects are affected by the appropriate benefits of Destruction. Stalhrim is an ancient Nordic enchanted ice that can be used as a crafting material. Once you have obtained the Ebony Smithing perk and completed the quest A New Source of Stalhrim, you can craft stalhrim armor and weapons.All items, except arrows, can be tempered with a sample of stalhrim. Stalhrim heavy armor is equal in quality to dragonplate armor, but lighter. With Hearthfire installed, you can obtain one in the children's room of Proudspire Manor, stuck in the map of Skyrim. They have no Havok physics and will float in midair if dropped.
